

tell me

starting in close-up

when i'm alone...

glow emanating from tv flicker

won't you give us a chance

zooming out, zooming out

more empty space, **i s o l a t i o n**

but baby i just want you to...

an overt visualization of the overthinking, big-hearted, brown boy

duplicates, **refractions** of oneself

clean wide master

neuroticism in action

CHORUS

ADI'S VERSES

compositional reference

lighting + palette

tone

combination of these elements, providing *contrast* + reinforcing **theme**

ADII

X

tekkopa

loving you is easy, loving me is hard

duplicates vanish

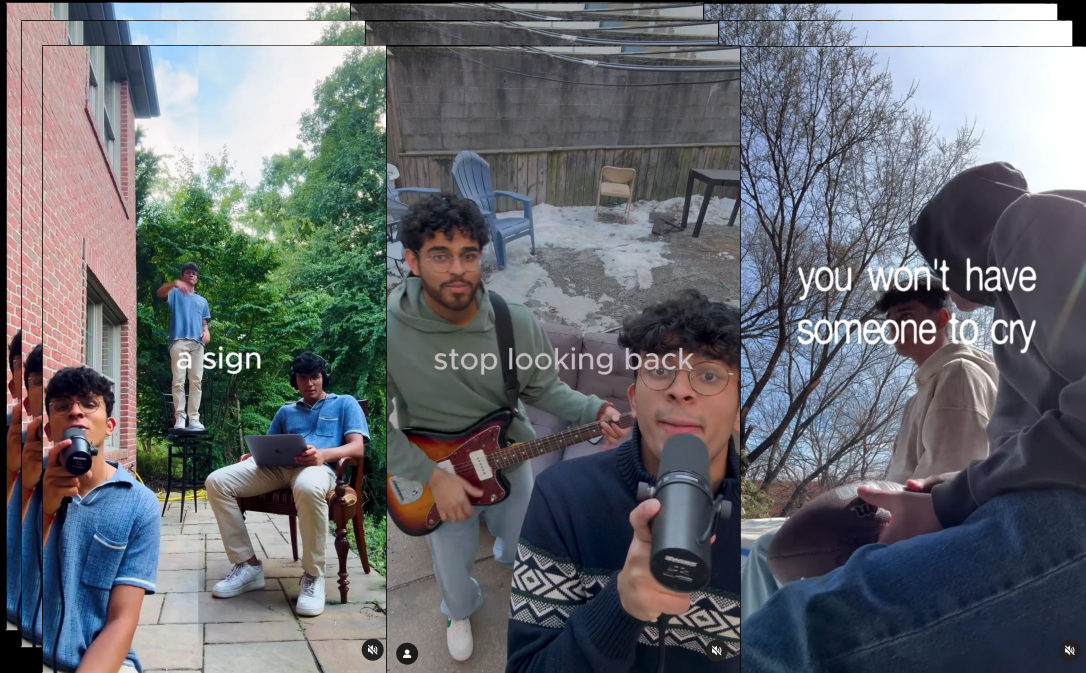

say you'll never leave me, i know we'll make it far

clean singles, contrast
